

Bill Loy Award for Excellence in Cartographic Design and Geographic Visualization

Academic Year 2008-09

We are pleased to announce the fourth annual award to honor Bill's many contributions in cartographic education. The Bill Loy Award for Excellence in Cartographic Design and Geographic Visualization is given annually to a deserving graduate or undergraduate geography student at the University of Oregon. The award amount is \$1,000.

SUBMISSION GUIDELINES

Students will submit a cartographic or visualization product and a written statement.

Entrant must be:

An undergraduate or graduate student majoring in geography at the UO.

Entrant will submit:

- A 500 - 1,000 word statement explaining the significance of the design that clearly articulates the student's role in developing the product is a requirement.
- For printed map products, submit two printed full size copies of their map product and a CD-ROM containing a PDF version of their entry.
- For digital map products, submit two CD-ROMs containing the executable file of their product.

Submit entry to:

- Loy Award Committee, Department of Geography, 107 Condon Hall.
