EDUCATION

Doctor of Philosophy, Geography, University of California at Berkeley, December 1997.
Dissertation: *Roots of Crisis: Population, Environment, and the Social History of Smallholder Tree Planting in Malawi* Advisor: Michael Watts

Master in Public Policy, Harvard University, Kennedy School of Government, May 1990.
Concentration in environmental policy. Thesis: *Zimbabwe Fuelwood Policy Analysis*
Advisor: Peter Rogers

Bachelor of Arts, Economics, University of California at Berkeley, May 1986.
Concentration on economic development and environment

RESEARCH INTERESTS

- Human-environment relations
- Political and cultural ecology
- Sustainability science
- Land-use change, politics and policy
- Ideas of nature
- Western United States, southern Africa

PROFESSIONAL EXPERIENCE

2004- Associate Professor of Geography and core faculty member in Environmental Studies,
University of Oregon

1998-04 Assistant Professor of Geography and core faculty member in Environmental Studies,
University of Oregon

- 1990-92 Assistant Project Director, Harvard Institute for International Development, Malawi Agricultural Research Project / Centre for Social Research, University of Malawi. The project, funded by USAID and the World Bank, aimed to assess the impact of economic liberalization programs on smallholder food security, health, and income.
- 1989 Intern, U.S. Environmental Protection Agency, Boston. Co-authored a report recommending methods to improve ground water safety in New England through reduced production of hazardous wastes.
- 1986-88 U.S. Peace Corps volunteer, Sierra Leone. Project Manager under the Rural Food Production Project of Catholic Relief Services and the Government of Sierra Leone. Directed a farm and 10-person staff that provided high-yielding rice seed to over 150 smallholder households and 60 agricultural extension agents.

CONSULTANCIES

- 2006 Consultant to the John F. Kennedy School of Government, Harvard University, "Food Security in Malawi: 20 years of change" – a project funded by the International Food Policy Research Institute. Fieldwork in Malawi August/September 2006.
- 2002 Consultant to the United States Agency for International Development, BASIS II Smallholder Irrigation Research Project, Malawi (administered through Michigan State University). Fieldwork in Malawi, August/September
- 2001 Consultant to the United States Agency for International Development, BASIS Household Water Access Project, Malawi/Zimbabwe (administered through the Harvard University Kennedy School of Government). Fieldwork in Malawi and Zimbabwe, July/August
- 1995 Consultant to the United States Agency for International Development, Malawi Environmental Monitoring Program (administered through the Harvard Institute for International Development). Fieldwork in Malawi, August-September
- 1994 Consultant to the United States Agency for International Development, Malawi Environmental Monitoring Program (administered through the Harvard Institute for International Development). Fieldwork in Malawi, July-August

Walker, Peter A. 1991. "Zimbabwe fuelwood policy analysis" in *Energy Systems, Environment and Development: A Reader*, 449-460. United Nations Centre for Science and Technology for Development, Appropriate Technology Assessment Systems, Issue 6.

MANUSCRIPTS IN PROGRESS

Walker, Peter A., and Patrick T. Hurley. In preparation (expected in 2010). *Planning Paradise: Politics and Visioning of Landscape in Oregon*. Tucson: University of Arizona Press.

Walker, Peter A., Sarah J. Marvin, and Patrick T. Hurley. Four legs good, two legs bad? Exurban ecology in the Sierra Nevada. For submission to *Human Ecology*

Walker, Peter A. and Pauline E. Peters. Re-considering 'community-based' provision of HIV/AIDS care in southern Malawi. For submission to *Human Organization*

GRANTS, AWARDS, AND HONORS

University of Oregon, CAS College Connections Teaching Award 2006-07, \$2,000

University of Oregon, CAS Rippey Innovative Teaching Award 2006-07, \$1500

International Food Policy Research Institute. Co-PI (PI is Pauline Peters, Harvard University) for a project titled "Food Security in Malawi: 20 years of change". Awarded \$57,000 (administered through Harvard University), January 2006-December 2006.

University of Oregon, CAS College Connections Teaching Award 2005-06, \$2,000

University of Oregon, CAS Rippey Innovative Teaching Award 2005-06, \$1500

University of Oregon, CAS College Connections Teaching Award 2004-05, \$2,000

University of Oregon, CAS Rippey Innovative Teaching Award 2004-05, \$1500

University of Oregon, Summer Research Award. Awarded \$4,500, summer 2004

Bonner Enterprises Research Grant. Awarded \$1,500, spring 2004

National Science Foundation, Geography and Regional Science Program, supplement to "Re-Creating the Sierra: Exurban Ideologies and Landscape Change in Nevada County, California" (#SBR 0001964), \$4,049 awarded on September 9, 2003

University of Oregon, CAS Rippey Innovative Teaching Award 2003-04, \$1500

William and Flora Hewlett Foundation, Community-Based Collaboratives Research Consortium (administered through the University of Virginia), "Improving the Effectiveness of

Community-Based Collaboratives: Tools for Broadening Community Outreach” with Richard Margerum (University of Oregon), PI. Awarded \$33,200 June, 2002

University of Oregon, College of Arts and Sciences, Junior Professorship Development Award for summer 2002. Awarded \$1,000, February 2002

National Science Foundation, Geography and Regional Science Program, Research Experience for Undergraduates supplement to “Re-Creating the Sierra: Exurban Ideologies and Landscape Change in Nevada County, California” (#SBR 0001964), with Aileen Buckley (University of Oregon), Co-PI. Awarded \$8,994, FY 2001-2002

University of Oregon, CAS Rippey Innovative Teaching Award 2002-03, \$1500

University of Oregon, College of Arts and Sciences, Junior Professorship Development Award for summer 2001. Awarded \$1,000, February 2001

University of Oregon, CAS Rippey Innovative Teaching Award 2001-02, \$1500

National Science Foundation, Geography and Regional Science Program, “Re-Creating the Sierra: Exurban Ideologies and Landscape Change in Nevada County, California” (#SBR 0001964), with Aileen Buckley (University of Oregon), Co-PI. Awarded \$149,784, July 2000-June 2002 (extended to June 30, 2004)

University of Oregon, College of Arts and Sciences, Junior Professorship Development Award for summer 2000. Awarded \$1,000, February 2000

University of Oregon, CAS Rippey Innovative Teaching Award. Awarded \$5,300 (with John Baldwin and Patricia McDowell) over academic years 1999-2000 and 2000-2001

University of Oregon, Summer Research Award. Awarded \$4,000, summer 1999

University of Oregon, Department of Geography Kariel Award. Awarded \$4,000, summer 1999

University of Oregon, New Faculty Development Award. Awarded \$4,000, summer 1998

University of Oregon, College of Arts and Sciences, Junior Professorship Development Award. Awarded \$1,000, summer 1998

University of Wisconsin, Madison. Land Tenure Center Travel Grant. Awarded \$792, June 1998

National Science Foundation, Geography and Regional Science Program, Doctoral Dissertation Improvement Grant, “Population, Environment, and the Social History of Smallholder Tree Planting in Malawi” (#BCS 9506005) 1995-1996, awarded \$10,000

Social Science Research Council, International Dissertation Research Fellowship, 1995-1996

Institute on Global Conflict and Cooperation, Macarthur Environmental Dissertation Fellowship, 1995-1996

Wenner-Gren Foundation, Africa Dissertation Fellowship, 1995-1996

Foreign Area and Language Studies Fellowship, United States Department of Education, 1994-1995

University of California Regents Fellowship (supplement to the FLAS), 1994-1995

Social Science Research Council, International Predissertation Fellowship, 1993-94

Harvard University, Kennedy School Grant, 1988-1990

University of California, Regents Fellowship, 1983-1986

SCHOLARLY PRESENTATIONS

Indiana University, Department of Geography. "Crossing boundaries and jumping scales: toward political ecology for sustainability science in Africa and the U.S.". Invited presentation, 1/18/08

Michigan State University, Department of Geography. "The long journey home: international and domestic political ecologies in the study of coupled human and natural systems". Invited presentation, 11/12/07

Government of Malawi and the International Food Policy Research Institute, presentation in Lilongwe, Malawi: "The Effects of Increasing Rates of HIV/AIDS-related Illness and Death on Rural Families in Zomba District, Malawi: a Longitudinal Study". A national forum for government agencies, NGOs, and scholars working on HIV/AIDS in Malawi. Co-presented with Dr. Daimon Kambewa, this paper was the main event of this national forum, 11/20/07.

Department of Geography, University of Oregon. 'Tea seminar' talk: "AIDS in Africa: Hope, Hype, and the Struggle for Survival in Malawi" (on ongoing field work in Malawi), 11/9/06

Association of American Geographers 2006 annual conference in Chicago. Panelist for "Amenity Migration, Exurbia, and Emerging Rural Landscapes 4: Plenary Panel Discussion" 3/8/06

Association of American Geographers 2006 annual conference in Chicago. Paper presented: "Four legs good, two legs bad? Reconsidering exurban ecology in the Sierra Nevada" in session titled "Amenity Migration, Exurbia, and Emerging Rural Landscapes 2: Socio-Ecological Implications" 3/8/06

San Angelo State University, invited keynote speaker for symposium titled "Environmental Values in A Consumer Society: Valuing the Land in the Land of the Free" Speech title: "Is Environmentalism Dead? Environmental Visions in a Consumer Society", 10/24/05

Berlin-Brandenburgische Akademie der Wissenschaften, invited speaker for the conference titled „Agrarförderung – Motor oder Hemmnis für Innovation im ländlichen Raum?“ Paper title: „Vom ‚Produktivismus‘ zur ‚Multifunktionalität‘: Beispiele für die Anpassungsfähigkeit von Landnutzungsinstitutionen an neue gesellschaftliche Anforderungen im Westen der USA“ (presented in German), 10/10/05

Auburn University, invited speaker for the conference titled "Emerging issues along urban/rural interfaces: linking science and society", sponsored by a grant from the National Science Foundation. Paper title: "'Four legs good, two legs bad?' Re-considering the ecology of rural-residential land use", 3/15/05

Oregon State University, invited speaker on "'Four legs good, two legs bad?' Re-considering the ecology of rural-residential land use" 01/20/05

American Anthropological Association 2003 annual conference in Chicago. Paper title: "Re-Creating Place: Struggles over Landscape and Meaning in the 'Exurban' Sierra" 11/22/03

Stanford University, invited speaker for the conference "Time and generation in African land use", sponsored by a grant from the National Science Foundation (#SBR 0245289). Paper title: "Conflicting images: the use of remote sensing in a longitudinal study of resource conflicts in Malawi" (one of 13 internationally-invited speakers), 5/28/03-5/30/03

Rutgers University, invited speaker for the conference "Political Ecology at Home". Paper title: "Reconsidering 'Regional' Political Ecologies: Toward a Political Ecology of the Rural American West" (one of 12 invited guest speakers selected nationally), 3/29/03

University of California at Berkeley, Coastal Forest Colloquium. Presentation title: "When What You See Isn't What You Get: Landscape Transitions in Western Nevada County" by Peter Walker, Sarah Marvin, and Louise Fortmann, 3/25/03

Association of American Geographers 2003 annual conference in New Orleans. Panelist for "Political Ecology in the Regions." Presentation title: "Why regional political ecologies?" 3/6/03

Association of American Geographers 2003 annual conference in New Orleans. Paper title: "Whose vision? The political ecology of land-use planning in Nevada County, California" with Patrick Hurley, 3/5/03

Oregon State University, Geosciences Department. Invited paper title: "Power, landscape, and the ideologies of 'Rural Quality': a political ecology of the 'exurban' Sierra" 5/7/02

University of Oregon, Department of Geography. Invited presentation entitled "Power, landscape, and the ideologies of 'Rural Quality': a political ecology of the 'exurban' Sierra" 4/11/02

Association of American Geographers 2002 annual conference in Los Angeles. Paper title: "Power and the ideologies of rural quality: a political ecology of gentrification in rural Sierra landscape" 3/21/02

Association of American Geographers 2002 annual conference in Los Angeles. Invited panelist for: "Mentoring new faculty geography: Issues and strategies" 3/21/02

Association of American Geographers 2001 annual conference in New York City. Paper title: "Re-Creating the Sierra: Exurban Migration and Property Rights Conflicts in the Sierra Foothills of California" 3/3/01

University of Oregon, Taking Nature Seriously Conference. Invited presentation entitled "Re-creating the Sierra: Exurban Ideologies and Landscape Change in Nevada County, California" 2/27/01

University of Washington (Seattle), Department of Anthropology. Invited presentation entitled "Maps, Metaphors, and Meanings: Boundary Struggles and Village Forest Use on Private and State Land in Malawi" 11/20/00

University of Oregon, Sustainable Business Symposium. Invited panelist for "Sustainability 101" 11/4/00

Biennial conference of the International Association for the Study of Common Property 2000 in Bloomington, Indiana. Presentation entitled "Maps, Metaphors, and Meanings: Boundary Struggles and Village Forest Use on Private and State Land in Malawi" 6/4/00

Association of American Geographers 2000 annual conference in Pittsburgh, Pennsylvania. Paper title: "Re-creating the Sierra: Exurban Ideologies and Rural Land-use Change in Nevada County, California", 4/6/00

University of Oregon, Sustainable Business Symposium. Invited panelist for "Sustainability 101: Everything You Wanted to Know About Sustainability But Were Afraid To Ask" 11/5/99

Portland State University, Portland, OR, Geography Department Colloquium. Invited presentation entitled "Political Ecology", 10/7/98

Biennial Conference of the International Association for the Study of Common Property, Vancouver, British Columbia. Paper title: "Blurring Boundaries: Claiming a Commons on Private and State Land" (co-authored with Pauline Peters), 6/12/98

University of Wisconsin at Madison, *Owns America? II: How Land and Resources are Owned and Controlled*, a conference of the Land Tenure Center. Paper title: "Preliminary Data from a Comparative Longitudinal Ownership Study in Two California Counties" 6/5/98

Association of American Geographers 1998 annual conference, Boston. Paper title: "Environment and Political Change in Southern Africa", 3/27/98

Association of American Geographers 1997 annual conference in Ft. Worth, Texas. Paper title: "Roots of Crisis: Population, Environment, and the Social History of Smallholder Tree Planting in Malawi" April

Association of American Geographers 1995 annual conference in Chicago. Paper title: "Gender, Class and Tobacco: The Political Ecology of Smallholder Tree Planting in Southern Malawi" March

SPECIAL CAMPUS PRESENTATIONS

University of Oregon, special "Focus the Nation" even on global climate change. "How the other half dies: global climate change, local environmental injustice". Invited presentation, 1/31/08

University of Oregon, Humanities 315: Introduction to African Studies. Invited lecture entitled: "Blood Diamonds: Exploitation and Environmental Destruction in Sierra Leone" 5/22/07

University of Oregon, CAS 130 Freshman Social Science Honors Colloquium. Invited lecture entitled: "Roots of Crisis: Historical Narratives of Tree Planting in Malawi" 1/12/04

University of Oregon, Community Conversations Residence Halls Speaker Series. Invited panelist for Honors Hall Advisory Board's panel "Who Should Be President?" 11/12/03

University of Oregon, Humanities 315: Introduction to African Studies. Invited lecture entitled "Congo: the political history of wealth, poverty, and environmental crisis" 5/6/03

University of Oregon, CAS 130 Freshman Honors Colloquium. Invited lecture entitled: "Roots of Crisis: The Social Causes of the Deforestation in Africa" 4/8/03

University of Oregon, Scholars Recognition Day. Invited presentation (with Andrew Marcus) entitled "Human Nature" to Freshman Interest Groups and prospective students and parents 1/31/03

University of Oregon, Humanities 315: Introduction to African Studies. Invited presentation entitled "Environment and Society" 4/18/02

University of Oregon, Humanities 315: Introduction to African Studies. Invited lecture entitled "Post-colonial Development & Human Rights" 5/10/01

University of Oregon, Humanities 315: Introduction to African Studies. Invited lecture entitled "Environment and Democracy in Southern Africa" 5/11/00

University of Oregon, Geography 199: Discover Oregon. Invited lecture entitled "Political Ecology" 2/10/99

University of Oregon, Humanities 315: Introduction to African Studies. Invited lecture entitled "Democracy and environment in Africa" spring 1999

University of Oregon, ENVS 607: Introductory Graduate Seminar. Invited lecture entitled "Re-creating the Sierra" spring 1999

University of Oregon, ENVS 202: Introduction to Environmental Studies, Physical Science. Invited guest lecture: "Myth-conceptions in Science" winter 1999

COURSES TAUGHT

Winter 2009:

Environmental Studies 450/550: Political Ecology (30 undergrads/4 grads)

Geography 410/510: Principles of Sustainability (26 undergrads/14 grads)

Fall 2008:

Environmental Studies 201: Intro. to Environmental Studies— Social Sciences (219 undergrads)

Environmental Studies 199: College Connections: "The Examined Life" (22 freshmen)

Environmental Studies 631: Graduate Seminar on Theory and Practice (7 grads)

Summer 2008:

Environmental Studies 201: Intro. to Environmental Studies— Social Sciences (18 students)

Geography 341: Population and Environment (19 students)

Winter 2008:

Environmental Studies 420/520 Perspectives on Society & Nature: Global Climate Change
(33 students)

Geography 475/575 Africa: Politics, Development, and Environment (24 students)

Fall 2007:

Environmental Studies 201: Intro. to Environmental Studies— Social Sciences (218 students)

Environmental Studies 607: Graduate Seminar in Political Ecology (14 students)

Environmental Studies 199 College Connections: "The Examined Life" (24 students)

Summer 2007:

Environmental Studies 201: Intro. to Environmental Studies— Social Sciences (18 students)

Geography 341: Population and Environment (19 students)

Spring 2007:

Environmental Studies 420/520 Perspectives on Society & Nature: Global Climate Change
(35 students)

Winter 2007:

Environmental Studies 450/550 Political Ecology (15 students)

Fall 2006:

Environmental Studies 201: Intro. to Environmental Studies— Social Sciences (202 students)
Geography 462/562: Historical and Contemporary Views of the Environment (20 students)
Environmental Studies 199 College Connections: “The Examined Life” (26 students)

Summer 2006:

Environmental Studies 201: Intro. to Environmental Studies—Social Science (14 students)
Geography 341: Population and Environment (23 students)

Spring 2006:

Geography 608: Graduate Workshop in Thesis Writing (21 students)

Winter 2006:

Geography 462/562: Historical and Contemporary Views of the Environment (28 students)
Environmental Studies 610: Graduate Capstone Seminar (6 students)

Fall 2005:

Environmental Studies 201: Intro. to Environmental Studies—Social Science (198 students)
Environmental Studies 607: Graduate Seminar in Political Ecology (12 students)
Environmental Studies 199 College Connections: “Human Nature” (25 students)

Summer 2005:

Environmental Studies 201: Intro. to Environmental Studies—Social Science (15 students)
Geography 341: Population and Environment (22 students)

Winter 2005:

Environmental Studies 450/550 Political Ecology (28 students)
Environmental Studies 605 Directed Reading (1 student)
Environmental Studies 607 Introductory Graduate Seminar (5 students)
Geography 475/575 Africa: Politics, Development, and Environment (24 students)

Fall 2004:

Environmental Studies 201 Introduction to Environmental Studies (211 students)
Geography 461/561 Environmental Alteration (instructor of record—45 students)
Environmental Studies 199 College Connections: “Footprints we leave” (25 students)

Summer 2004:

Environmental Studies 201 Introduction to Environmental Studies (15 students)
Geography 341 Population and Environment (21 students)

Spring 2004:

Environmental Studies 420/520 Perspectives on Nature and Society (25 students)
Environmental Studies 607 Graduate Seminar in Political Ecology (8 students)
Geography 462/562 Historical and Contemporary Views of the Environment (19 students)

Fall 2003:

Environmental Studies 201: Introduction to Environmental Studies (196 students)

Winter 2003:

Environmental Studies 450/550: Political Ecology (29 students)
Geography 462/562: Historical and Contemporary Views of the Environment (30 students)

Fall 2002:

Environmental Studies 201: Introduction to Environmental Studies (198 students)
Environmental Studies 607: Introductory Graduate Seminar (6 students)
Geography 461/561: Environmental alterations (instructor of record)

Winter 2002:

Geography 475/575 Africa: Politics, Development, and Environment (20 students)
Geography 605: Readings in cultural landscape (1 student)

Fall 2001:

Environmental Studies 201: Introduction to Environmental Studies (205 students)
Environmental Studies 607: Graduate Seminar in Political Ecology (16 students)

Spring 2001:

Environmental Studies 605: Ecological Economics (2 students)
Environmental Studies 605: Advanced Readings on Contemporary Views of Nature (4 students)
Environmental Studies 605: Rural Landscapes of the American West (2 students)

Winter 2001:

Environmental Studies 420/520 Perspectives on Nature and Society (22 students)
Geography 462/562 Historical and Contemporary Views of the Environment (26 students)

Fall 2000:

Environmental Studies 201: Introduction to Env. Studies—Social Sciences (190 students)
Environmental Studies 410/510: Political Ecology (24 students)
Geography 409 Practicum (1 student)

Spring 2000:

Geography 462/562 Historical and Contemporary Ideas of the Environment (27 students)
Geography 605 Graduate Reading and Conference: Sustainable Development (1 student)
ENVS 401 Directed Research (1 student)

Winter 2000:

ENVS 410/510 Perspectives on Nature and Society (21 students)
ENVS 601 Research: Advanced Development Studies (1 student)

Fall 1999:

ENVS 201 Introduction to Environmental Studies: Social Sciences (164 students)
ENVS 607 Graduate Seminar in Political Ecology (10 students)
Geography 601 Research: Globalization and Development (1 student)
Geography 605 Reading and Conference: Advanced Political Ecology (1 student)

Spring 1999:

Geography 475/575 Geography of Africa: Environment and Development

Winter 1999:

ENVS 410/510 Perspectives on Nature and Society
ENVS 410/510 Political Ecology

Fall 1998:

ENVS 201 Introduction to Environmental Studies: Social Sciences
ENVS 399 Special Studies: Advanced Environmental Studies
ENVS 605 Reading and Conference: Globalization and Development

Spring 1998:

Geography 410/510: Political Ecology

Winter 1998:

ENVS 410/510: Perspectives on Nature and Society

STUDENT ADVISING 1998-2007

CHAIR OF GRADUATE STUDENT COMMITTEES

- McKinnon, Innisfree (Geography), Ph.D. (in progress)
- Javdani, Marie (Geography), M.A. (in progress)
- Mason, Thomas (ENVS), M.A. (in progress)
- Nurhusein, Safy (Geography), M.A. (graduated, spring 2008)
- Laudati, Ann (Geography), Ph.D. (graduated, spring 2007)
- Cram, Shannon (Geography), M.A. (graduated, spring 2007)
- Neff, Mark (ENVS), M.A. (completed Spring 2006)

- Carriere, Jason (ENVS), M.A. (completed Spring 2006)
- Rosenberg, Stacy (ENVS and Geography), Ph.D. (completed summer 2005)
- Darby, Kate (ENVS), M.A. (completed Spring 2005)
- Hurley, Patrick (ENVS and Geography), Ph.D. (completed fall 2004)
- Hurley, Daniel (ENVS), M.A. (completed spring 2004)
- Rothenberg-Aalami, Jessica (Geography) Ph.D. (completed spring 2002) co-chair
- Mansfield, Becky (Geography) Ph.D. (completed spring 2001) co-chair

MEMBER OF GRADUATE STUDENT COMMITTEES

Doctoral committees

- Nelson, Ingrid (Geography) Ph.D. (in progress)
- Edwards, Ian (Anthropology) Ph.D. (in progress)
- Hume, Susan (Geography) Ph.D. (completed spring 2005)
- Serralles, Roberto (Geography) Ph.D. (completed fall 2004)
- Scott, Gwen (Geography) Ph.D. committee (completed spring 2004)
- Leiserowitz, Anthony (ENVS and Geography) Ph.D. (completed fall 2003)
- Long, Colin (Geography) Ph.D. (completed spring 2003)
- Baldwin, Jeffrey (Geography) Ph.D. (completed spring 2003) (through 2001)
